**[ LEXAN 13X4 ]**  
**3/16" 13" x 4" LEXAN**

3/16" thick 13" (330mm) x 4" (102mm) standard clear lexan for the IE105R type extinguisher cabinets. The lexan panel will resist impact and is primarily used in high impact areas i.e. gymnasiums or parking garages where breakage may occur.
