

C-RHEX® Cleanable, Reversible Magnetic Hex Drivers (1/4" and 5/16")

★★★★★ [18 Reviews](#) | [Write a Review](#)

Malco's popular C-RHEX Cleanable, Reversible Magnetic Hex Drivers are made for ultimate flexibility and productivity. Available in 4 convenient lengths:

- 2 inch (Model MSHC)
- 2-5/8 inch (Model MSHLC)
- 4 inch (Model MSHMLC)
- 6 inch (Model MSHXLC)

Quickly change between 1/4 in. and 5/16 in. hex sizes with Malco's unique, exclusive, dual-sided magnetic hex drivers. The reversible hex socket fits over a 1/4-inch magnet-tipped, ball locking hex shaft, and can be quickly reversed to change sizes. Eliminate troublesome buildup of metal shavings in the hex tip with the "Easy Clean Magnet". Just swipe with a glove or shop towel to clear any metal shavings. Tested torque of the reversible hex chuck driver design is equal to one-piece drivers.

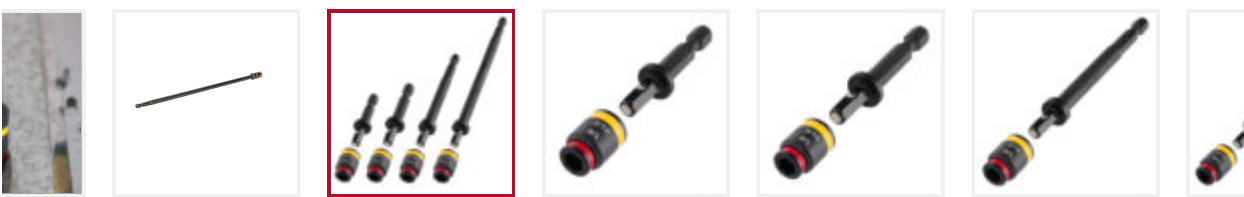

Patented #10,328,554

Malco's Cleanable, Reversible Magnetic Hex Driver is ideal for pairing with Malco [Zip-in self-piercing](https://www.malcoproducts.com/product/zip-in-self-piercing-sheet-metal-screw/) (<https://www.malcoproducts.com/product/zip-in-self-piercing-sheet-metal-screw/>) or [Bit-Tip drill and tap](https://www.malcoproducts.com/product/bit-tip-drill-and-tap-screws/) (<https://www.malcoproducts.com/product/bit-tip-drill-and-tap-screws/>) metal screws.

ALL COMPETITORS!
